## St. Paul Lutheran Church

# The Messenger

I want to leave you with this Prayer from Paul's Second Letter to the Thessalonians 3:16. It truly has been a blessing for me to have had this time with you, and I know God will bless your future. Remember to work toward the date 2076 when St. Paul Lutheran will celebrate its 2nd century. Grace and Peace  
**Pastor Wayne.**

### To the People of St. Paul,

Growing up in central Illinois I can't help but be reminded that this time of year is full of new beginnings. As the cold and blow of winter gives way to the drappiness and warmer breezes of spring the earth around us blossoms into new birth. The trees unfurl their tiny feathery leaves, the early bulbs send their shoots to the sun, and grass beckons to us for a haircut. The graduation invitations start filling the mailbox as our youth look forward to their new journeys. And one of my favorites, new life springs from the farmyard buildings when our mama cats bring their cute little kittens out to teach them out to be proper farm cats.

To be truthful, I find myself a bit surprised at this late date in my life to be faced with another new vocational beginning. On May first I will begin an expanded role with the good people of St. Paul. I realize you are somewhat familiar with me by now after two years of serving in partnership with Pastor Shelksohn in your interim time between called pastors. It has

been a blessed and truly enjoyable time of learning so much about worship leadership and pastoral care, because as you know St. Paul was my first assignment after finishing the SAM (Synod Authorized Ministry) program. But the best part of my last two years with St. Paul has been getting to know many of you personally and seeing how each of you contributes to the mission of St. Paul in our greater world. I look forward to continuing the work in this mission with you.

The agreement that your council president, Tammy Putnam, our bishop, Greg Busboom and I have signed spells out our

responsibilities to each other. My major responsibilities are, as you would expect:

to teach and preach the word, preside at worship and administer the sacraments, provide pastoral care and then it lists some of my new responsibilities which are primarily administrative type duties.

Then comes the congregation's responsibility. I smiled when I read this paragraph. I realized that if I was coming into an unfamiliar new congregation I might feel a bit of uneasiness about whether they would honor the agreement, when neither of us knew each other. But I can safely say after two years at St. Paul I know, without reserve, that I can expect St. Paul to hold up their end of the bargain. The item that stood out to me was that the congregation will "receive Ms. Buchs as Interim Minister, uphold her in prayer, and accord her our love, respect, and good will." I have received nothing less than love, respect and good will from this congregation from the very beginning. I can enter this agreement freely and with joy knowing with God's help we can get through anything together if we all continue to lean into the love that our Lord and Savior, Jesus Christ, demonstrated to us on that holy tree.

With that said, I would like to ask that the members of this congregation make an effort to alter their view of my role going forward. Where Pastor Shelksohn was the go-to for all pastoral matters of the church, I will be your point of contact now. Please do not hesitate to reach out to me about anything you feel relates to the life of the church or your spirituality. I will be assisted in this ministry by Pastor Brian Moeller from St. Petri

in Flanagan. Pr. Moeller recently took his first call at St. Petri after serving as a SAM (synod authorized minister) in southern Illinois. He will be available to me for consultation on matters with which I may need help. And, of course, the Bishop's office will also be available to me. I will not hesitate to reach out for help if the church or I need more experienced help.

I guess what I am trying to say is if you need me, or even think you might need me, CALL! I am God's servant for St. Paul and with God's help we will figure out the best course of action for any need or problem.

With great thankfulness for this opportunity to serve you,

Marcia+

## **Community Closet**

Beginning in May until July 25 we will collect gently used and clean clothing for all ages. Please encourage your friends and family members to donate to the Community Closet. Items can be dropped off at church and placed in the southeast classroom. We will also need many volunteers to help! This is another great way to be

the hands and feet of Jesus for those in our community who are in need! Please see Mary Leach or e-mail the church office if you are interested in helping!

**What is the Baby Bottles for Hope campaign?** It is a simple, "hands on" opportunity for you to provide Hope Center's valuable services to the women and families who need them.

**How do I help?**

Participation is easy! Just take a bottle (or two or three) home with you, fill it with cash, coins and checks, and return on Father's Day, June 16th. Funds raised go directly toward Hope's free services.

**VBS (With a Trist)**

Join us for a one-day VBS event in conjunction with the Playground Blessing on Sunday, June 9 right after service. A cookout for the entire congregation will be provided after worship.
